# Working Toward Safety and Justice through Police & Prosecutor Partnerships Meeting: August 27-28, 2018

# Obstacles to Collaboration

# Examples From the Field:

## Pennington County

- **Care Campus:**
  - Partnership with Pennington County Sheriff's Office, Pennington County Health and Human Services, Crisis Care Center and Rapid City to co-locate multiple programs.
  - Includes: Safe Solutions (for those under the influence of substances, primarily alcohol); Detoxification; Residential and Outpatient Treatment; Crisis Care Center; Rapid City PD Quality of Life Unit
- **OneHeart:**
  - This transformation campus seeks to provide transitional housing and co-locate a variety of services, including addiction, mental health counseling, and job training, to move those who are homeless into permanent housing and improve their quality of life. This would offer person-centered, trauma-informed, recovery-oriented care; in return, each adult resident would be expected to create a self-directed income plan, housing plan and agree to live clean and sober.
- **Quality of Life Unit:**
  - This unit will foster collaboration through police officers working hand-in-hand with caseworkers in order to provide boots-on-the ground social work services to homeless and vulnerable populations.
- **Mniluzahan Okolakiciyapi Ambassadors:**
  - Includes Native and non-Native leaders who represent multiple community sectors. They seek to address the broken relationships and lack of respect between the Native and non-Native American communities in Rapid City.

# Examples From the Field:

## Milwaukee County

- Community Prosecution:
  - Philosophy of collaborating with other organizations to create safer communities
- Milwaukee Early Intervention Program:
  - Includes monthly meeting with all stakeholders figure out how to improve the criminal justice system
- Post-Booking Stabilization Process:
  - Work with police department, public defender, and assistant DA to ensure individual gets stabilized as quickly as possible
- Housing First Initiative:
  - Start process of stability for chronic homeless population by getting housing first, police department identifies individuals, contacts behavioral health, and look for long term solutions

# Finding Solutions to Common Challenges

# Keys to Collaboration: Additional Guidance from Police Prosecutor Meeting

# Questions?

# Thank You for Joining Today's Workshop
