

Need more help after this course?

- Have a question about data collection, surveys, interviews, or focus groups?
- Need help with a specific logic model?
- Want to turn your program's objectives into measurable benchmarks?

Whether you're at the beginning stages and need help with ideas or you're already collecting data and need help with next steps—please reach out to us!

We can help you!

- Email your question to us at CVR@urban.org
- We are a growing community offering free, research-focused technical assistance, courtesy of CVR.
- We will work with you to assess your needs and determine the assistance best suited to address your questions.

Who we are:

The *Center for Victim Research* is a one-stop resource for victim service providers and researchers to connect and share knowledge to increase: 1) access to victim research and data and 2) the utility of research and data to crime victim services nationwide. For additional information, contact CVR@urban.org and follow us on

This project is funded through Cooperative Agreement No. 2016-XV-GX-K006 awarded by the Office for Victims of Crime (OVC). OVC is one of six components within the Office of Justice programs, U.S. Department of Justice. Points of view or opinions in this document are those of the authors and do not necessarily represent the official position or policies of the U.S. Department of Justice.
